Dear André and Lorenzo,

We refer to your appointment as Design Team for our logistic park facilities in Milan and Rome since 2001.

We are happy to recommend your team to other clients. The responsiveness and design flexibility required to provide a successful project was well demonstrated by your team.

Additionally your skills in proactive permit management and negotiation are commended.

A good working environment has existed, and we look forward to continuing this.

Yours sincerely,

AIG/LINCOLN Properties GmbH
